

RYE OR CAMBER

We leave in the morning for the drive through High Weald to the pretty towns of Rye or Camber. Rye is the type of town that sets your imagination on fire. Perched on a hill above the river Rother and two miles from the sea, it has a rich history of smuggling and maritime conflict. Or stay on the coach to continue to Camber Sands which looks like it should not belong in Southern England. Boasting seven miles of unspoilt, golden beach and rolling fine sand dunes, it has been the setting for many films, including that British 'classic' *Carry On Camel*.
