

A DAY AT WHITSTABLE OR MARGATE

We depart in the morning for a day by the sea at Whitstable, a seaside town on the north coast of Kent. It is famous for its 'Native Oysters' which were collected from beds beyond the low watermark from Roman times until the mid-20th century or stay on the coach for a day at Margate with its sandy beaches sheltered by chalk cliffs and its busy harbour. Wherever you choose, the day is yours to spend how you like it and the coach will collect you at the end of the day.
