

# **RURAL LIFE LIVING MUSEUM, TILFORD**

The Rural Life Living Museum tells the story of the countryside, its unique collection of re-located historic buildings allow visitors to explore inside, complemented by one of the largest collections of agricultural implements and objects from everyday life. We take you on a journey of nostalgia. The Old Kiln Light Railway regularly operates diesel and steam locomotive passenger rides from February to October. Trains run on the weekends. We are an open-air museum, set in over 10 acres of open space and woodland with an arboretum containing over 100 trees. There are places to shelter when it rains, a picnic area for lunch, and secluded benches to take a break. The Market Garden Café serves a variety of hot and cold food and there is always tea and cake to finish off a great day out!
