

HIGHCLERE CASTLE

Highclere Castle, home to the Carnarvon family since 1679, with a fascinating connection to ancient Egypt. As the largest occupied mansion in Hampshire and the finest inhabited Victorian residence in England. The gardens feature great stretches of glasshouses in a walled garden, magnificent parkland designed by 'Capability' Brown and a secret Garden with a beautiful curving lawn surrounded by densely planted herbaceous gardens. Highclere was the film location to the major drama series Downton Abbey.

We expect this trip to sell out quickly, so we will be running it again during the year
