

# HOWLETTS ANIMAL PARK

Howletts is home to over 390 animals including giant anteaters, it has the largest herd of African elephants in the UK, and more gorillas, leopards and monkeys than any other zoos. At Howletts, the animals are cared for by their expert keepers in a 100 acre park. There are many rare and endangered animals for you to see and with babies arriving during the year there is always something new.
