

# VICTORIA & ALBERT MUSEUM

The history of the V&A is a story like no other. From its early beginnings as a Museum of Manufactures in 1852, to the foundation stone laid by Queen Victoria in 1899, and the museum has grown over the years to what it is today. The V&A is massive and every inch of it is filled with history, art, fashion and so much more. A great place to explore the many treasures and individual exhibitions. You can enjoy a selection of food and drink in the world's oldest museum restaurant or Garden café.
