

DUXFORD SUMMER AIR SHOW

We are looking forward to a huge day out at this infamous airfield which from the early years of flight, right through the dramatic days of the Second World War and the Cold War has played a central role in some of the most significant periods of the 20th century aviation history. We will see old and new planes flying, aerobatic demonstrations, static aircraft together with the many exhibitions to view and hangars to explore. Your ticket will include the coach trip, entry to the showground, IWM Duxford's museums, hangars, special exhibitions and the static collections and of course the live action flying displays.
