

KENT & EAST SUSSEX RAILWAY

We will travel down into Kent to Tenterden for our visit to the railway. We will board our steam train and travel from Tenterden to Bodiam covering 10½ miles of track which will take approximately three quarters of an hour to complete. When we reach Bodiam we will alight and spend 20 minutes at this station where if you wish you can purchase refreshments before boarding the train again for our return trip back to Tenterden. When we get back to town you will then have time to wander and explore the many treasures this lovely village has to offer before finally returning home.
