

A DAY TRIP TO TENTERDEN

We will travel down to into Kent and our visit will start at the Tenterden Museum where we will have a guided tour lasting around an hour, to view the many different exhibits and hear about the local living history and the by gone days of Kent life. After you have had time to look around and enjoy the many different items on show we will make our way to the Brunch & Brew café which is just a few minutes from the museum for refreshments. They are offering a cream tea with a 10% price reduction for museum visitors. Once you feel refreshed you will then have time to wander around and explore the local shops and interesting buildings in this pretty market town before returning home.
