

Port Lympne

Itinerary

Port Lympne Reserve is a 600 acre sanctuary for over 800 rare and endangered animals and creates a wonderful experience for animal lovers. The enclosures are designed with lots of natural foliage and camouflage to create as natural habitat as possible just like the wild and it is fun to explore and find your favourite animals. Once found you can then wander through the 15 acres of beautiful landscape gardens or visit one of the many cafes for refreshments. A truly interesting day out.
