

# WEALD & DOWNLAND OPEN AIR MUSEUM, SUSSEX

## Itinerary

We depart for our morning drive to Sussex, to spend the day at this interesting living museum set in 40 acres of beautiful countryside. You will be free to wander around the rich variety of recovered houses and interesting buildings representing the long-lost trades and crafts of by gone years. Many of the interiors have been recreated bringing the buildings to life and giving you an insight as to how things use to be. You can enjoy waterside dining at the café which has lovely views across the mill pond and if you are lucky, you may even see some filming of the Repair Shop for the BBC which also has its home here.
