

Highclere Castle

Itinerary

Highclere Castle has been home to the Carnarvon family since 1679, with a fascinating connection to ancient Egypt. As the largest occupied mansion in Hampshire and the finest inhabited Victorian residence in England. The gardens feature great stretches of glasshouses in a walled garden, magnificent parkland designed by 'Capability' Brown and a secret Garden with a beautiful curving lawn surrounded by densely planted herbaceous gardens. Highclere was the film location to the major drama series Downton Abbey.
