

A DAY IN ST ALBANS

Itinerary

We make our way to St Albans in Hertfordshire to its modern shopping centre and bustling street market being held on the day of our visit – one of the largest in the southeast of England with over 160 stalls. The market has won many awards for the variety and quality of its products. The two modern pedestrianised shopping centres blend well with the historic buildings and there is a wealth of small independent shops and eateries to explore in this lovely town.
