

FULHAM PALACE, LONDON

Itinerary

The site of Fulham Palace has been the residence of the Bishops of London since AD 704. Bishop Wealdhere acquired the Manor of Fulham, which was a vast estate covering most of Hammersmith, Fulham, Acton, Ealing and Finchley. As bishops were called Princes of the Church the estate became known as Fulham Palace. This historic house has much to offer and during your trip you will have a private guided tour of the dwelling, when you will discover the secrets of the palace and learn about the lives of the people who lived and worked there. The surrounding gardens and the 18th century walled garden are lovely to wander through, and refreshments can be enjoyed in Drawing Room Cafe.
